4. Select My Preferences to change multiple options

a) Click YES to get Email notifications every time money is deposited into your account

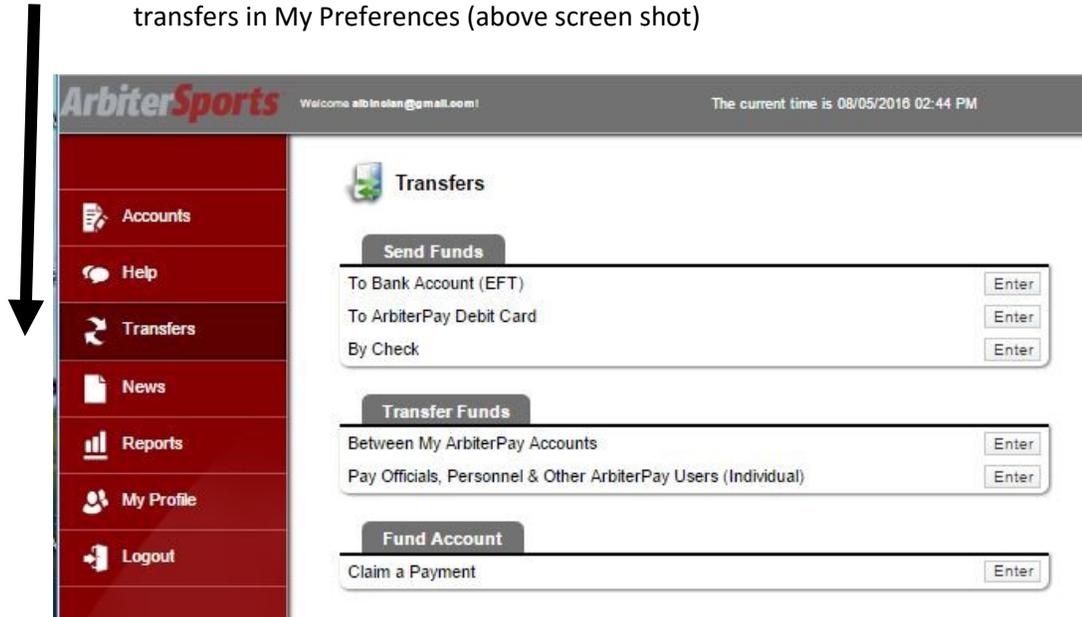

**THIS IS HIGHLY RECOMMENDED**

The screenshot displays the 'My Preferences' page on the ArbiterSports website. The page is titled 'My Profile' and includes a navigation menu on the left with options: Accounts, Help, Transfers, News, Reports, My Profile, and Logout. The main content area has tabs for 'User Information', 'Physical Address', 'Mailing Address', 'Bank Accounts', 'Profile Settings', and 'My Preferences'. The 'My Preferences' section is active and contains several form fields with radio buttons and dropdown menus. Two black arrows point to the 'Yes' radio button for 'E-mail Notifications' and the 'EFT' dropdown menu for 'Automatic Transfer'.

Choose how and where you want the funds transferred – EFT, Debit Card, or Check (which can be modified by you anytime in the future).

NOTE: You can select Automatic Transfer either by amount or date for either a fee of \$1.50 for each transaction or \$9.95 per year for unlimited transfers or \$8.50 for each check they send to you.

5. Select **Transfers** to move money out of your ArbiterPay account **IF** you did not select Automatic transfers in My Preferences (above screen shot)

Here you have the option of transferring funds to either a Bank Account (no cost to transfer), a Debit Card (\$4.95 one-time setup fee and \$0.50 per transaction fee), or a Check (\$8.50 fee each time a check is sent).

6. Selecting **To Bank Account** in order to transfer money to your bank account  
This section is automatically populated.

The screenshot shows the 'Send Funds to Bank Account (EFT) Request' page on the ArbitersSports website. The main content area is titled 'Send Funds to Bank Account (EFT) Request' and contains the following sections:
